## Card of Thanks

To the Citizens of Wilmington  
I would like to express my  
sincere thanks for your con-  
fidence in me by voting me  
back to the office of the  
Board of Selectmen.

Francis L. Hagerty

## CARD OF THANKS

I wish to publicly  
thank all my friends  
for the support they  
gave me as a candidate  
for Selectmen. Espec-  
ially since this is the  
first opportunity I  
have had to state that  
I did not sign the yel-  
low leaflet, nor did I  
know the contents of  
the leaflet until after  
it had been mailed.

Once again to all who  
supported me I extend  
my sincere thanks.

## RECORD VOTE RETAINS T.M.

### NOTE OF THANKS

I would like to take this  
opportunity to extend my  
heartfelt thanks to the voters  
of Wilmington for their honest  
gesture of friendship, expressed  
at the Polls on Saturday,  
the 7th of March.

To a man practically unknown  
in the political field, it is  
a gratifying thing to know  
that such a number of unseen  
friends would want to support  
me.

These are the things that  
make life worth living, and I  
think that now I see the mean-  
ing in the words: "And the  
last shall be the first."  
Thank you again!

### ACCIDENT ON BOUTWELL STREET

At 12:50 a.m. on March 3,

cruise on Boutwell Street,  
when they spotted a car which  
had left the road and came to  
a stop against a stonewall.

It was snowing and road con-  
ditions were extremely poor.  
Robert Gudger, operator of the  
vehicle had failed to negoti-  
ate a curve. The car was dam-  
aged on the front.

The driver and his two pass-  
engers Bernard Madore of Bout-  
well St., and Joseph Faino of  
No. Reading escaped without  
injury.

### THE HOUSING FOR THE ELDERLY PROGRAM AND ITS PURPOSE

There are today in excess of  
520,000 persons in Mass. 65  
years of age and over, and this  
number is increasing yearly.  
Many of these persons are of  
limited income and cannot af-  
ford the type of housing best  
suited for their needs and  
therefore are living under un-  
safe and sub-standard housing  
conditions. This has prompted  
the State to go forward with a  
Housing Program exclusively  
for persons 65 years of age  
and over who do not have the  
financial means to obtain good  
housing.

In Wilmington, this housing  
program is administered by the  
Wilmington Housing Authority.  
This Authority is responsible,  
within eligibility require-  
ments as defined in the law,  
for the selection of tenants.

To be eligible for this  
housing a person must meet the  
following requirements: (1) A  
person must be 65 years of age  
or over (single individuals  
living alone or couples are  
eligible). (2) A person must  
be a citizen of the United  
States (except an alien who  
has served in the armed forces  
of the United States and who  
has been honorably discharged  
and provided application has  
been made for citizenship and  
aliens eligible to receive Old  
Age Assistance.) (3) A person  
must be of low income. In gen-  
eral the annual income of a  
single individual not to ex-  
ceed \$2500, and the annual in-  
come of a couple not to exceed  
\$3000. (4) A person must be in  
need of good housing.

Dwellings are planned for  
single and double occupancy.  
Dwellings for two persons may  
be occupied by the following  
combinations: (a) a married  
couple (b) two men or two wom-  
en (c) a brother and sister

A record vote of 3225 cast  
in last Saturday's annual elec-  
tion showed conclusively that  
the town wants Town Manager  
form of Government. For every  
dissenting vote, the propon-  
ents of T.M. Government polled  
two----a total of 2114 for and  
1058 against.

Frank Hagerty and Wavie Drew  
were re-elected in decisive  
fashion, Hagerty receiving  
2325 votes and Mrs. Drew 2011  
votes. Runner up was Rene La  
Rivee, Civil Defense Director,  
who polled 830 followed by  
Helen Chruschiel 502 votes and  
Leo McCormack 346 votes.

Arthur Lynch and Eddie Page  
were re-elected to the School  
Committee, Page 2120 and Lynch  
2094. Frederic Melzar an  
unsuccessful candidate last  
year polled 1336 votes.

James P. Donahue, was elect-  
ed to the Wilmington Housing  
Authority by a vote of 2110 to  
Harold Chase (sticker candi-  
date) 539 votes.

Simon Cutter, Moderator,  
unopposed polled 2762 votes.

Insurance benefits for town  
employees was voted out; Flou-  
ridation of water was voted in.

(d) in some instances, an eld-  
erly tenant (65 years or over)  
and a non-elderly person pro-  
vided that person is necessary  
for the physical well being of  
the elderly person and is of  
low income.

The Wilmington Housing Auth-  
ority, in providing the maxi-  
mum opportunity to all eligi-  
ble Wilmington residents, sug-  
gests that any citizen knowing  
elderly persons in need of  
good housing suggests to them  
that they make application for  
this housing at the Wilmington  
Housing Authority, Deming Way,  
Wilmington, Mass., telephone,  
Oliver 8-8531.

The third meeting of the Merrimack Valley Riding and Driving Club was held on February 28 at Emerson Auction Hall, Westford Street, Lowell. The meeting was called at 8 pm with approximately 60 members and 35 guests present.

The purpose of the organization is to interest all horse lovers in the horse shows and harness races which will be held. The group hopes to sponsor and maintain this wholesome sport for 4-H Clubs and all local horse lovers.

A cordial invitation to join the club is extended to all horse lovers in the area whether or not they happen to own a horse.

The group will eventually sponsor specials and other events of interest to horsemen and women. There has been no age limit set. Anyone from the age of the 4-H'er on up will be most welcome.

The first event now being planned is a Merrimack Valley Horse Show to be held on April 19. The location will be announced in this paper at a later date.

## OPEN LETTER TO THE TAXPAYERS OF WILMINGTON

This letter is to bring our appeal to you the Taxpayer direct. We the wives of the local Firemen would like you to judge for yourself just how far our weekly pay check goes, to begin with our men earn the sum of \$82.00 weekly base pay which by the way is below the fireman's pay in most of our neighboring Towns of comparable size to ours, the breakdown is somewhat like this:

\$82.00 base pay for a 56 hr. week plus 56 hrs. standby time which equals 73¢ per hour set forth in the Fire Department regulations as of April 21 1958.

\$2.75 Blue Cross & Blue Shield  
.33-1/2 Life Insurance by Town  
4.10 Mid. County Retirement System.

10.00 Federal Taxes.  
.65 New State W.H. Tax

Total Deductions weekly  
\$17.83 before we get hold of it.

The average take home pay is \$64.17 of your fireman and our menfolk.

Once the Envelope gets to our hands the old Budget System is put into effect, for you see we also have to pay our way the same as you folks do. We have food, lights, heat and power, water, medicines and doctor bills, not covered by Blue Cross, minor expenses, clothing for the children, work clothes for our menfolk and their uniform and linen upkeep to pay for, let alone our rent and taxes to pay for.

A few other points that may help you to see our way of thinking are that when our men go into a housefire we never know when they will walk back or become one of the many of those men who gave their lives to the fire Service, in the line of duty. When your man punches out his time clock at 5 p.m. you and your children can feel secure that he will be with you for the evening or be able to take you out without first calling his boss to find out if he can do so. You can also feel secure in the fact that he and your whole household will not be awakened in the wee hours of the morning to an alarm of fire or an emergency ambulance run to rush someone to the hospital.

Also your men are not exposed to the various diseases that ours can possibly bring home to our loved ones after such an emergency run that some unthinking doctor might have failed to inform him was of the contagious type. Another of the things we would like to bring out is that when the holidays roll around or some one of the kids birthdays comes up we like to feel that we can without, letting something else go, live up to the traditions of our ancestors and remember them in the way that we would like to. In closing we would like you to remember that all we are asking of you is to please give us the same living wage that you yourself would like to enjoy as a human being.

### ELEVEN 'PINE' STREETS IN WILMINGTON

One-hundred and seventy five street names are to be changed in Wilmington, on or about April 1, according to Daniel Gillis, Chairman of the Wilmington Planning Board, who addressed the Rotary Club luncheon meeting at Masonic Hall, last week. During the whistle-stop era, Wilmington streets were named arbitrarily and on a 'catch-as-catch-can' basis, with the result that many street names are now duplicated, triplicated, quadruplicated, etc. throughout the town, and this has led to the inevitable utter confusion! 'Pine Street' ran off with top honors in the street-naming contest of bygone years, with eleven of the town's hardiest and earliest pioneers dubbing 'Pine' as the name of the paths that passed their domiciles, according to Mr. Gillis. New town maps are to be issued through the Town Engineer's Office shortly after the beginning of April, complete with appropriate cross-indexes between the new and the original street names.

Mr. Gillis, who was introduced by Sergeant-At-Arms Ralph Swanson, was aided in his discussion of Street-Name-Changing by George Maynard, Wilmington Town Engineer.

Treasurer Dav Davis set in for Ralph at the \$2.00 window, prior to the luncheon, much to the delight of Dav's customers at the Middlesex County National Bank. The meeting then opened with Past President John Gleason leading in the salute to the Flag, and Dick Harding giving the invocation.

Fred D. Cain, who has been going a few rounds lately with Mr. Virus, bundled himself up,

never the less, and braved the elements to be on hand as Attendance Chairman (Johnny Nitche is still convalescing from a recent illness.) Visiting Rotarians introduced by Fred were: Cal Woods of Reading and George Downie of Winthrop. Guests of Rotarians were: Charles Schiemlan and George Mann of the Union Carbide Corporation, and Emil Swanson, Plant Superintendent National Polychemicals (with Ed Osberg); Dr. Frank J. Alissi, Wilmington's new Podiatrist (with Stan Filipek); and Chuck Dolan, one of Wilmington's finest (with Al Altman).

A.W.O.L in sunny Florida, according to Secretary Henry Porter, were: Rodney Buck, Harry Huntley and Bill Stevens

We could all take a lesson from Joe App who believes in keeping himself in good shape.

To keep that good physique, he has been seen walking to and from the post office in the Center each morning to pick up his mail, a distance of about 2 miles each way.

He has been doing this for the past few years during Lent.

Keep it up Joe, maybe some day you'll have company on your walks.

## **KING OF KINGS MOTION PICTURE COMING TO WILMINGTON**

Cecil B. DeMille's immortal masterpiece, "The King of Kings" will be brought to Wilmington on Sunday, Mar. 15, at 6 p.m. in the Wilmington Methodist Church.

Among the records of the world's most tremendous historical events, and in all the greatest writings of all times nothing even remotely approaches the awe inspiring magnificence of the story of Jesus of Nazareth, The King of Kings, whose words and deeds have swayed humanity for almost two thousand years.

For the last twenty years, the picture has been shown in 500 important cities from New York to San Francisco and Los Angeles, from Boston and Chicago and Houston. Thousands of people attend in every city.

The simple Christian story is portrayed with reverence, beauty and great power. Under the late Cecil B. DeMille, and the reverent genius of great players, the story of Christ has taken human form and brings greater understanding to all who see it.

Those who see "The King of Kings" always report that it is a religious experience they will never forget. Although the picture was made in 1927, it was filmed so well under the direction of Mr. DeMille that it has become the most enduring motion picture of all time. It is estimated that a billion people have seen this great picture in showings around the world. With the cooperation of local committees it has been shown in theatres, churches, schools, prisons, hospitals, homes in army and navy camps and during the war, on several battle fronts, in nearly every country in the world.

The original picture was carefully edited in recent years, a number of titles were changed to bring it up to date, and a beautiful music score based on Parzifal was added. It is being shown in Wilmington under the sponsorship of the Wilmington Methodist Church for the entire community and surrounding towns without ticket sales, although those who see the picture may help meet the cost of bringing the picture to Wilmington by a free-will offering as they leave the church.

The Rev. Richard E. Harding, pastor of the Wilmington Methodist Church, has expressed on behalf of the entire church family an invitation to all of the families of Wilmington and the surrounding area a cordial invitation to share in the viewing of "King of Kings." He has stated that it has been set for the six o'clock hour to enable families with younger children to attend together.

PERMANENT BUILDING COMMITTEE PRESENTS  
PROPOSED PLANS FOR NEW POLICE STATION

BASEMENT FLOOR PLAN

FIRST FLOOR PLAN

The Permanent Building Committee has voted to present at the Annual Town Meeting the adoption of article #27 which provides for an increase of \$10,000 for the construction of a much needed police station. The last annual town meeting appropriated the sum of \$65,000 for this purpose and designated a site on Church Street.

Due to the fact that the sum appropriated could not purchase all of the facilities which, in the judgement of the Selectmen and Police Chief, were required for a functionally sound building, it is necessary to ask for the increase sum.

The facilities which could not be provided for in the original appropriation include a detention room for juveniles, a separate room for women, adequate locker rooms, a squad room and a pistol range for members of the police department.

The Selectmen and Permanent Building Committee believe that the needs of the town would be fulfilled with these additional facilities.

The presently proposed police station will be adequate for a police force of 24, which the police chief feels will provide for expansion of the department over the next 20 years. The building also in-

cludes in addition to the previously mentioned facilities, a four cell block, interrogation room, a multi-purpose office, the office of police chief, a waiting room, a detention cell for inebriates and adequate space for administrative functions of the department.

The Selectmen and Permanent Building Committee feel the area on which the old Highway Garage on Adelaide St., is situated is the proper location for the new police station.

We find that two Wilmingtonites are confined to the Choate Memorial Hospital in Woburn.

Mr. George Anderson, 3 Hathaway Rd., admitted March 4.

Mr. Rohald Outridge, 20 Cedar St., admitted March 5.

plained and demonstrated the official boy scout handclasp and led the boys in the Boy Scout Oath.

For several weeks cubs and their Den Mothers had been making table decorations and their ingenuity and workmanship was evident at the supper Den #1 under the leadership of Mrs. Helen Leclerc and Mrs. Louise DeFelice made an Uncle Sam hat centerpiece, flanked by 2 rockets, 1 representing the den, the other AKELA. Their favors were drum candy cups and masks. Everyone at the table wore a rosette badge bearing his or her name. Place-mats were red and white. Den #2 with den mothers Vera Sloss and Barbara Dowling used an Indian Village and 2 totem poles as their centerpiece. Plaster of Paris wolf heads made and painted by the boys were the favors. They also had hand made placemats and nut cups. Mrs. Mortelliti made a birthday cake for their table. Paula O'Brien and Dena Burns of Den #3 used large blue cutouts of Cub Scouts holding yellow flags as their centerpiece and the boys had made yellow fringed candy cups with cutouts of cubs and blue fringed napkin rings. As placemats they used the new cub scout napkins. A birthday cake also was displayed. Den #4 with Eleanor Green, Rae Burns and Mary Burke used a replica of a cub scout giving the scout salute as their centerpiece. They also had a large drum and a globe of the world surrounded by the flags of the countries which have Cub Scouting. Blue cotton fringed placemats bearing the initials of the guests and cubs were made by the boys as well as napkin rings made from yellow and

blue plastic. Individual miniature candy bars were wrapped to resemble a briefcase.

Den #8 with Jean Draper and Arlene Smallidge used pipe cleaners twisted into a cigarette holder for the men, peanut men suspended in pipe cleaners for the children and a fresh gold chrysanthemums (donated by Stevens Florist Wilmington Center) tied with blue ribbon for the ladies. A large Easter egg with the den flag and the U.S. flag was set at each place. The centerpiece consisted of two Cub Scouts representing book-ends with the Cub Scout Promise between. Den #6 under the direction of Mary Woods and June Cross used totem poles for centerpieces and teepees for favors. Den #5 with Mary Nickerson and Evelyn Pierce had a large blue and gold bandstand with the boys' names in the center. This was flanked by two towers. They also had masks and candy cups. Den #7 under the supervision of Dorothy Provenzano and Ella Sicard decorated their own table as well as the Webelos and Head Table. Their decorations were small igloos and drums and handmade placemats. A large cake in the form of an igloo and another in the form of a drum were made by Dotty Provenzano. The head table was graced with a cake made to resemble a church and a lovely floral centerpiece.

The evening was closed with movies run off by Larry Brennan for the N.E.T. & T. showing the Scout Jamboree at Valley Forge. There was also a hilarious W.C. Fields movie.

Everyone left the High School full and happy.

Head table guests shown at the Blue and Gold Banquet of Pack 56 Cub Scouts. Throngs shown enjoying their supper. Den Mothers shown receiving their pins. Robert Moore and Lloyd Moulton honor guards of the newly erected Advancement Board. Mrs. Fuller, her son and assistants preparing meal.

Charlie Ellsworth of our Police Department was the first to cast his ballot on Saturday.
